

“If the only prayer you say in your life is thank you, that would suffice.”

**HAPPY THANKSGIVING
FROM ALL OF US AT DR. RISBRUDT, DDS**

The 2011 year was a special year at 655 Camino de Los Mares. It was a year for reconnection, reciprocation and refreshing of one's perspectives. Our team experienced a renewed energy and focus. It was with this new commitment that we realized once again, who we are at our best as well as whom we are being our best for...you!

It goes without saying that this has been a challenging period in our economy and that all of our wonderful friends and patients have been touched by its ramifications in one way or another. It has been our goal this year to express our appreciation for all of you and your loyalty, by being our better selves and helping in any way we can to assist in your pursuit of health and dental wellness.

It is to that end that we close this year with heartfelt thanks and our arms out wide to give each of you a hug and to let you know that seeing you walk through our door makes each day a great day!

We pray for each of you, your families and friends to experience a year filled with the simple things, love, health and much laughter.

With gratitude for your incredible gift of trust in us and our practice,

*Tom Risbrudt DDS for Melissa, Christiana, Victoria, Debbie,
Ananda and Heather*
